1. This dispatch has been prepared to give Headquarters, Logistics Division specifically, a general outline of the real estate conditions in as they apply With it we are forwarding the following separate cover enclosures:

25X

25X

- A) Forms 36-220 for all real estate controlled
- B) Memorandums giving the case history of the rental of a warehouse
- C) A translated copy of the normal lease used by landlords, plus a special conditions appendage to this lease commonly used by American personnel.

25X

25X

25X

25X

25X

25X

3. Because of the above, the real estate problems have been reduced to the provision of living quarters and office and warehouse

25X

25X

4. The provision of quarters presents special problems due to the nature of the city itself. To permit a better understanding in Headquarters of our problems in obtaining adequate quarters, a brief outline of the local housing situation is presented below:

25X1

Since initiating the policy of providing government quarters this Base has had some success in acquiring and retaining a number of suitable housing units. This policy has been greatly appreciated by all of our personnel and has resulted in no additional cost to the government.

d) As stated above, [redacted]

[redacted]
Both are adequate space for present needs.

e) Our only other real estate asset [redacted]

[redacted] was the subject of a previous dispatch.

Enclosures
as stated, sep cov
